WORK EXPERIENCE

Independent Writer

California; Jan 2018–Present

- Design consulting, editing, and writing of independent role-playing game systems.
- Blog and SEO writing and editing for web-design marketing companies.
- Academic editing and research aid for History, English, Philosophy, and Sociology undergraduates.

Apprentice Machinist

Caco Pacific Corporation

Covina, CA; Aug 2017 – Mar 2018

Accounting Assistant

University of California: Merced

Merced, CA; Sep 2013 – Jun 2014

- Solved a ten-year backlog of missing financial data by digitizing and logging almost 2000 grant files.
- Drove a 10% increase in traffic to the Research Accounting website with a clever website redesign in a Drupal framework.

Website Developer

University of California: Merced

Merced, CA; Oct 2014 – Dec 2014

- Completed full rebuild and redesign of Academic Personnel Office within three months.
- Met department and school policy demands for website design through weekly meetings and reports with Academic Personnel Office staff.

Recreation Intern

US Forest Service, Dept. of Agriculture

Fort Jones, CA; Jun 2014 – Aug 2014

- Reopened three unused trails through detailed patrols, trail maintenance, and forestry reports.
- Contributed to a large fire damage study on the Klamath 2014 fire season by drafting forestry reports and patrolling burn areas.

Interpretation Intern

US Park Service, Dept. of Interior

Yosemite, CA; Jun 2013 – Aug 2013

- Entertained hundreds of guests by drafting and performing multiple educational talks on Yosemite history.
- Helped thousands of guests by staffing an informational desk in Wawona daily.
- Drafted an hour-long educational program in two weeks, receiving great reviews by guests on my educational and entertainment quality.

EDUCATION

BA History

University of California: Merced

Merced, CA; Graduated Dec 2015

- Received an A on a self-researched and written 35 page, detailed undergraduate thesis.
- Successfully grew the school band by over 50% through securing a \$20,000 student government grant for instrument purchases.
- Participated in student government outreach in 2014, leading to one of the largest yearly expansions in student club growth in the schools history.
- Organized a 700 person historical society event, driving a massive increase in historical society membership.
